Attractive splendour

Jewels for every occasion

At Davice we want to design exclusive jewellery that you can nevertheless wear all day long, every day, on any occasion.

DELICATE CRAFTMANSHIP

Our jewels are a homage to honest and pure beauty. Exclusive high quality jewellery in a style that inspires and is a perfect mix of classic beauty and modern design.

- Let's celebrate -

Express yourself

Be brave, choose your own path

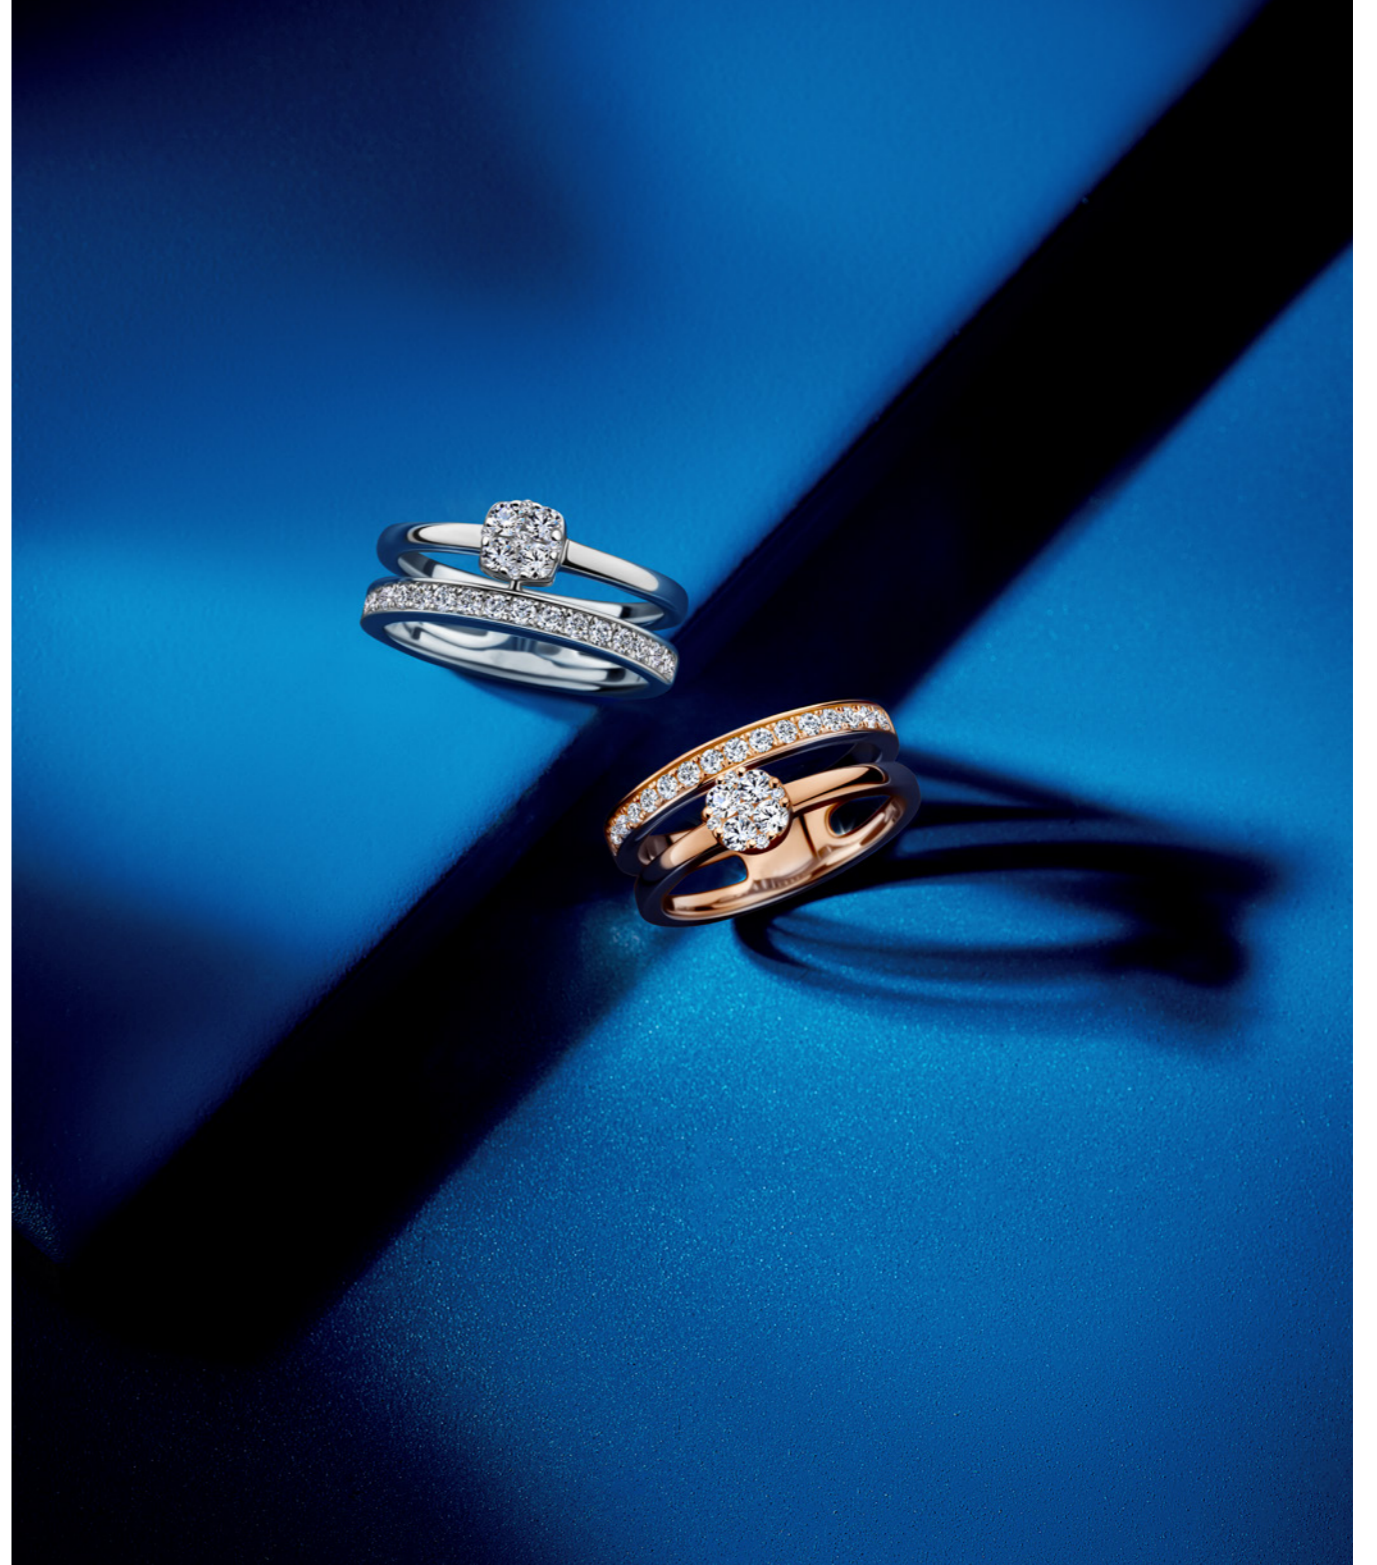

"Jewellery is a very personal thing... it should tell a story about the person who's wearing it"

Davice wants to help you express your inner self. With our jewellery you can make a bold statement about who you are.

"You're not
fully dressed, until
you sparkle"

"An inspiring combination
of classic beauty
and modern design"

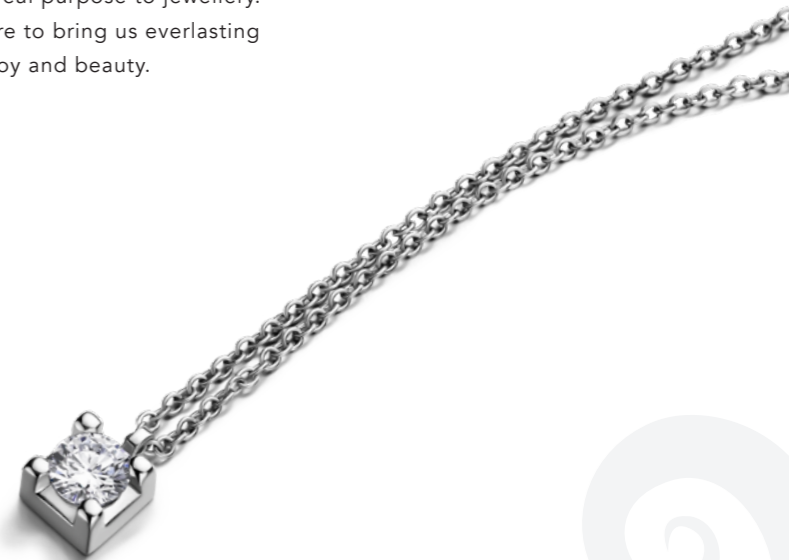

Material that is eternally loved like diamonds
and gold makes a perfect combination to
design timeless jewels with a modern design.

"All you need is love, but
a little jewellery has never
hurt anybody."

There's no real purpose to jewellery.
It's just there to bring us everlasting
joy and beauty.

It's in the little things

Small things, big delights

You can find happiness in the smallest of things. Beauty in purity and big delights in simplicity.

The magic of gold is hard to explain. Rather than trying to understand it, we simply have to love it.

"People who wear jewellery, only accept good vibes."

Accept the good vibes life throws at you. Choose gold. Choose diamonds. Choose happiness.

A beautiful piece of jewellery is a fantastic thing to wear. But in combination they are even more amazing.

“Beauty is who you are.
Jewellery is simply the icing
on the cake.”

Well-chosen jewellery is the icing on the
cake, the subtle detail that takes your look
to the next level.

The magic of colour

Add some spice to your look

Colourful jewellery is a wonderful way to give your look the upgrade it deserves. Don't hesitate. Dare to stand out.

It's okay to be

obsessed with jewellery

—
The secret of our collections is the use of classic material like gold and diamonds in recognisable variations of timeless beauty.

“The world is full of
the ordinary. Dare to
be different.”

Reality is often grey and dull.
Jewellery can help you change that.

“If you can’t stop thinking
about it... buy it!”

We take pride in creating jewels for all women, young and
a bit less young. And we take pride in enhancing their
natural beauty with graceful splendour.

“The answer is ...
jewellery.
Like, always!”

Wear your diamonds like a queen wears her crown. Let them become an essential part of who you are. Let them make a statement about who you really are.

Diamonds are forever

Timeless and unique pieces

An evergreen in the world of jewellery with an imperishable beauty. Buy a piece of jewellery with diamonds in it and you buy a piece of timeless beauty for yourself and for generations to come.

It's hard to say wherein the attractive enchantment of diamonds and gold lies. Rather than to grasp its mystery with our minds, we have to enjoy it with our hearts.

“Nothing
is more beautiful
than jewellery.”

If you want to feel as the strong, independent
woman that you are, your accessories can help
you make that statement.

“Give a woman good
jewellery, and she can
conquer the world.”

The warm class of rose gold, the splendour of
diamonds and the contemporary cool of white
gold will always be a winning combination.

“An appearance of delicacy and even fragility, is almost essential to beauty.”

Our jewellery is made with the finest materials, by the most skilled craftsmen, to deliver nothing less than delicate perfection.

Timeless novelties

Classic beauty & enduring design

Davice wants to make every woman shine on any occasion. That is why we strive to combine classic materials with timeless designs.

Without craftsmanship,

Inspiration is a mere reed shaken in the wind
